## 2nd BFSI CTO Summit 2017

In sync with the growing technological interface, the Elets Technomedia Pvt Ltd is organising 2nd BFSI CTO Summit, Awards & Expo 2017 in Mumbai during July at Vivanta by Taj-President, Mumbai.

The summit emphasises on the rising significance of technology in the Banking, Financial services and Insurance (BFSI) domain. It will be a congregation of CIOs, CTOs, COOs, CISOs and top-notch experts and researchers pertaining to the banking sector.

We are delighted to inform that Shiv Kumar Bhasin, Chief Technology Officer, State Bank of India has joined us as the Programme Chair for the summit. He will deliberate at the summit, sharing his expertise and knowledge in the banking sector.

The event is an endeavour to ensure a confluence of CTOs/CIOs from leading banks across India, top-notch officials, technology innovators and solution providers at one platform to discuss and deliberate upon emerging trends of technology being adapted by banks.

### Discussion Issues:

- Rising significance of IT in banking sector
- Future of advanced threat protection
- Leveraging Cloud and Datacentre for business benefits in BFSI Sector
- Role of IT for enhanced customer engagement in BFSI Sector
- Role of the Internet of things in changing business values.
- Blockchain Revolution: How the Technology is changing facets of banking sector?
- Challenges of Big data and its solution
- Optimising banking technologies: New Vistas
- Plans of banks for innovation in its digital roadmap
- Understanding the regulatory and data security implications

### Conference

Senior officials from banking domain across the country would deliberate upon key issues related to secured banking. It would help CTOs, CIOs and EDs among many of the top brass to devise new solutions to make banking a safer experience.

### Expo

Several technology firms would participate in the expo to showcase their products.

### Awards

In order to recognise good initiatives and finest practices undertaken by banks and corporate firms, Elets Technomedia will confer awards upon banks and private entities.
